CONSTRUCTION & DEMOLITION WASTE COLLECTION & DISPOSAL SERVICES

We provide our services to collect Construction and Demolition Waste and dispose of as per Dubai Municipality norms and in most economical and environment- friendly way.

Most of the construction & demolition waste generated in Dubai is aimed for recycling into usable road and construction based aggregate thus helping to save environment. We offer construction and demolition waste collection and disposal services at most competitive and attractive contract rates. For free assessment and quote for your construction waste disposal needs, please feel free to contact us.

GENERAL WASTE COLLECTION AND DISPOSAL

We provide various sizes of Open Top Skips(8, 10 and 12 CBM) for collecting General, Municipal Solid Waste from Commercial, Industrial, Workshops, Residential, Hotels, Malls, Labour Camps, Educational Institutes, Government entities etc. at very competitive contract rates.

Our round the clock waste collection and disposal services as per Dubai Municipality guidelines will help solve your waste disposal concerns.

WASTE PAPERS COLLECTION

We offer our specialized and dedicated service in collecting waste papers (card boards, old newspapers, books, magazines, paper cuttings, office waste) on short and long term contract basis at very good rates. We provide exclusive services to Malls, Hypermarkets, Supermarkets, Printing & Packaging industries, Hotels, Restaurants, Government, Semi-government organizations & Social Clubs, by deploying our trained manpower, necessary waste paper disposal cages and bins for day to day collection of waste papers. The waste papers collected are recycled and reused which in turn saves hundreds of trees Nurturing Nature.

PLASTIC WASTE COLLECTION

Every year hundreds and thousands of tons plastic waste end up in landfill polluting the planet at an alarming level. Ninety percent of plastic waste is trashed and dumped which takes more than 400 years to decompose polluting land and sea affecting human, animals and marine lives.

We collect recyclable plastic waste at very good rates on short or long term contract basis.

SCRAP & METAL WASTE COLLECTION

We collect all types of Ferrous & Non-Ferrous Scrap & Metal Waste and offer very competitive rates on bulk.
